

MOSAICS ARE EASY, MOSAICS ARE FUN !!!

Join us Wednesday and/or Saturdays at Art Gallery of Viera! Learn how to use all of the different tools and materials used in mosaics. On going classes address the students needs individually, so beginners and advanced students work side by side.

Choose your project! Anything can be a mosaic! Mirrors, boxes, shoes, lamps, bottles, rocks, flowerpots, back splashes...you are only limited by your imagination! Start with a simple project to get your technique down and then go, go, go! Fees are \$25.00 per class if using my tools. As you learn and get your own tools, classes go down to \$20.00 per class. Students are responsible for supplies that vary with the project. Kits are for sale from the instructor.

Seating is limited! Please call instructor for class availability and for sources of supplies, tools and other workshops.
